

Cabinet Maker

Established in 1989, Terlin has become a leader and innovator in full-service construction for retail, commercial, and institutional clients. Distinguished by their end-to-end approach and unparalleled reputation for quality and reliability, Terlin's state-of-the-art facility houses their custom Millwork shop which provides an exclusive focus on the specialized needs of their clients. From design through construction and service, Terlin handles every aspect of interior construction and delivers outstanding and consistent results.

The Terlin Team is a talented and driven group of experts, trades-people, designers, and project managers. In addition to their skilled partners and sub-trades, Terlin's complete team is made up of close to 200 dedicated individuals – each committed to making customer service and satisfaction their highest priorities. **And they are always looking for great people to join their team!**

The Opportunity

Terlin is currently seeking a fulltime, experienced, and dynamic **Cabinet Maker** to join their growing team. The environment is fast-paced and growth-oriented – ideally suited for individuals who like to take charge and are driven to build on current successes.

Responsibilities

Working from plans and architectural drawings, the Cabinet Maker is responsible to build projects on time and to the highest quality standards in the industry.

Specifically, the Cabinet Maker will be responsible for:

- Reviewing plans and ensuring a thorough understanding of the project's scope;
- Planning and executing the work to fit the timelines required by the customer;
- Identifying problems or barriers to finishing the project on time and suggesting solutions;
- Leading the build on the project while assisted by one or two apprentice or junior cabinet makers;
- Lead, mentor, coach, and train junior employees in the craft of cabinet-making;
- Ensure safety standards are met and reinforced at all times in all areas of the shop and notify supervisor of problems or concerns;
- Work within the larger team to create a safe, clean, and efficient workplace.

- Working hours are Monday to Friday, 7:00am to 3:30pm. (Some overtime may be required to meet project completion deadlines.)
- Tools will be supplied by the company.

Qualifications

- A minimum of 2 years of cabinet making experience.

What Terlin Has to Offer

Terlin offers employees the opportunity to work on innovative projects alongside dynamic, dedicated, and talented teams who possess a strong drive for success.

Their **comprehensive benefits package** is designed to meet the demands of each individual's life at work as well as at home. Employees are eligible for coverage under Terlin's benefit plans and are encouraged to participate in any, or all, of their benefit programs. The benefit programs are also complemented with **RRSP** matching and **profit sharing**.

Terlin is an equal-opportunity employer and values diversity and inclusiveness in their company.

Do you have the drive, the experience, and the commitment to excellence to be part of the Terlin Team?

If you think you have what it takes and would like to join an organization that offers proven corporate leadership, opportunities for career advancement, great team spirit, and a collaborative environment, then let Terlin provide you with an excellent place to work, grow, and excel!
